

Slovenian all-female doom metal band [MIST](#) is ending its highly successful concert season this summer at the *unofficial* [MetalDays](#)

Warmup gig

which will be held on 19th and 20th July at Club Bugatti in Tolmin, Slovenia. So, if you're arriving a day early to

MetalDays

, you can watch

MIST

live on

20th June

. They will be sharing the stage with a few local bands such as Bleeding Fist (black metal), Underground (heavy metal), Ivje (black metal) and Teleport (sci-fi thrash metal). Facebook Event with more info has been set up

After a well deserved summer break, the girls will hit the road again in autumn, including the [M](#)
[alta Doom Metal Festival](#)

and the renowned

[Hammer Of Doom Festival](#)

in Würzburg, Germany, also featuring some great acts, such as Saint Vitus, Trouble, Kadavar, Orange Goblin, Avatarium, Mount Salem, Jess And The Ancient Ones, and many others.

MIST released their first demo recordings simply entitled "**Demo 2013**" last year in November, which was re-issued on CD for the third time due to great interest.

"Demo 2013"

is still available as a

name-your-price

download on their

[Bandcamp](#)

page.
