

Following their appearance in 2 of the biggest festivals of their genre around the globe in the female-fronted scene (Metal Female Voices Fest - BL and Dames of Darkness festival - UK), symphonic metallers Enemy Of Reality will perform at the Artmania fest in Sibiu, Romania along with Anathema, Apocalyptica, Saturnus, Clan of Xymox and other great metal bands. It's the 3rd festival that they'll play outside of Greece to promote their debut album 'Rejected Gods' and it 's gonna take place in July.
